Limited Company Notice Application Form

The UK government has, and will be signing, a number of inter-governmental agreements to share tax information, where applicable, with the tax authorities in other jurisdictions. The requirement to collect certain information about each customer's tax arrangement is part of UK legislation and as a financial services company we are legally obliged to collect it. We are asking for your tax residency and tax ID numbers (where applicable) and will record this on our records now, but will only disclose this information to the relevant tax authorities if and when we are required to under UK law. Your tax residence generally is the country in which you live for more than half a year and where you pay income tax. Special circumstances (such as studying abroad, working overseas, or extended travel) may cause you to be resident elsewhere or resident in more than one country at the same time (dual residency). As a financial institution we are not allowed to give tax advice. If you have any questions on how to complete this form we recommend you speak to your tax authority (HMRC in the UK) or your tax or legal adviser.
